TO WHOM IT MAY CONCERN

This is to certify that Muhammad Arbab Tahir, son of Muhammad Tahir Majeed, was employed with Umar Wyne Official as a Developer from April 2025 to June 2026.

During his tenor with us, Mr. Tahir played a key role in designing, architecting, and maintaining core digital infrastructure for our web platforms. His primary responsibilities included end-to-end website development, as well as the creation and optimization of robust backend and data management modules.

Specifically, he took ownership of standardizing client data structures, centralizing records, and building workflow solutions for profile tracking, activity histories, cross-functional coordination, and secure transaction logs. His technical contributions streamlined operational pipelines, improved data accuracy, and enhanced overall user interaction across our platform ecosystem.

Mr. Arbab Tahir demonstrated strong analytical capabilities, reliability, and a solid problem-solving mindset. His ability to translate functional requirements into clean, scalable code made him a valuable asset to our development efforts.

We sincerely appreciate his contributions to Umar Wyne Official and wish him every success in his future professional endeavors.
